

Timeline Project Requirements

- Create a timeline of some sort which shows when at least 20 significant innovations occurred.
- Include:
 - Minimum 5 significant all time (prior to 1800).
 - Minimum 5 from the 1800-1900's.
 - Minimum 5 from the past generation (your parent's lifetime).
 - Minimum 4 from your lifetime.
 - Minimum 1 that you think will be coming and isn't here yet
- For each you should have:
 - Name of the invention/innovation
 - Picture
 - Brief description of the invention or innovation
